

# YOUTH NOVATION STARTUP COMPETITION

## Eligibility & Requirement

- Each team should consist of 2 to 8 members.
- All members should be full-time students or 2018–2020 graduates of higher diploma, associate degree, bachelor's degree, master's degree or doctorate programmes in any tertiary institutions in Hong Kong.
- While team members may be from different institutions, the team shall represent the tertiary institution to which the team leader belongs.
- All team members should participate in one team only.
- The ownership of any products, technologies and patents associated with the participating project should belong to the related team, and should not be subject to any intellectual property disputes.
- The fund raised by the team shall not exceed HKD 3 million.
- The team should be established in or operating for less than 4 years.
- All finalists will be required to present their student identity cards for verification.
- Finalist teams should present their products or minimum viable products in the final.
